Service Notices

The status of campus computer systems, labs, and campus networks as of Thursday, December 27th, 8:15am is as follows:

The helpdesk hours of operation hours will be from 8am to 6pm and walking consultations from 10am-3pm during the week of December 24 through December 28. We will resume normal working hours January 2, 2002. We apologize for any inconvenience this may have caused.

There are no other known problems.

23 January 2002 All Columbia campuses will experience an Internet outage beginning at 4:00am. Our service provider, Applied Theory, is having hardware problems on the router board to which we connect. They anticipate that the outage will last no more than 15 minutes.

3 February 2002 There will be a brief outage between 6pm and 6:30pm that will last for 5 minutes. The outage may affect the following services: Columbia International Affairs Online (CIAO) and Earthscape
